

Moses Lake Irrigation and Rehabilitation District

August 15, 2023

To: All Lakefront Property Owners not in the Moses Lake Irrigation & Rehabilitation District

It is unlawful to use Moses Lake water on a parcel that is not within MLIRD boundaries and does not have a water right independent of MLIRD See RCW 90.03.400.

Parcels that are using lake water and not in the MLIRD have two options.

1. Petition to add the parcel into the MLIRD and pay MLIRD assessments. This would entitle the parcel to use Moses Lake water for irrigation.
2. Cease and desist using Moses Lake water and remove any pumping apparatus from the water of Moses Lake.

For more information:

Please contact the MLIRD office at 932 E Wheeler Road, Moses Lake, WA 98837, call the office at (509) 765-8716, or visit the MLIRD website at www.mlird.org. The MLIRD office will be available to help you with the process of petitioning your parcel into the District.

Thank you for your cooperation.

Sincerely,
MLIRD Board President
