State of Our Lake – Moses Lake Watershed Council Meeting

The purpose of the September 16, 2024 Special Board Meeting of the Moses Lake Irrigation and Rehabilitation District was for all of the Board of Directors to be able to attend the “State of Our Lake” Moses Lake Watershed Council meeting. The MLIRD Directors present were President Bailey, Vice President Teals, Director Dexter, Director Perry, and Director Ketterer. Also present was General Manager Sam Castro and MLIRD Staff Beth Yonko. The meeting took place at 6:00 PM in the Civic Center Council Chambers.

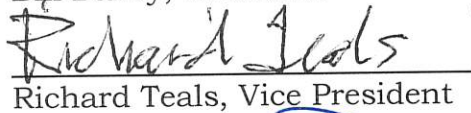

This was the Moses Lake Watershed Council’s third annual “State of Our Lake” meeting. The Moses Lake Watershed Council is dedicated to identifying and facilitating community led efforts to improve, protect and preserve water quality in Moses Lake and the greater watershed for present and future generations. The key presentation was given by Ryan Van Goethem with EutroPHIX on the Rocky Ford Arm Phosphorus Mitigation Project. Other members of the Moses Lake Watershed Council that provided updates to the public were the City of Moses Lake, Grant County Health District, Grant County Tourism Commission, Columbia Basin Conservation District, Moses Lake Irrigation & Rehabilitation District, Washington State Department of Ecology, and a Moses Lake Citizen Representative.
