STATE OF OUR LAKE MEETING

The Moses Lake Irrigation and Rehabilitation District held a Special Board Meeting on September 16, 2026, to allow the Board of Directors to attend the Moses Lake Watershed Council's "State of Our Lake" meeting. MLIRD representatives present were President Teals, Vice President Ketterer, Director Meise and Executive General Manager Sam Castro. The meeting began at 6:00 PM in the Moses Lake Civic Center Council Chambers.

This was the Moses Lake Watershed Council's fifth annual "State of Our Lake" meeting. The Council is dedicated to identifying and facilitating community-led efforts to improve, protect, and preserve water quality in Moses Lake and the greater watershed for present and future generations. Ryan Van Goethem with EutroPHIX delivered the featured presentation on the Rocky Ford Arm Phosphorus Mitigation Project. Updates were also provided by representatives of the Moses Lake Irrigation and Rehabilitation District, the City of Moses Lake, Grant County Health District, Trout Lodge, the Bureau of Reclamation, the Columbia Basin Conservation District, the Grant County Mosquito District No. 1, the Port of Moses Lake, and a Moses Lake citizen representative.
